

dashing through the snow  
Shovels in our hands  
O'er the driveways we go  
Cleaning all we can  
Bells of neighbors ring  
And we carol into the night  
What fun it is to lend a hand  
And a giving song tonight.

THIS WINTER, LET'S MAKE  
KINDESS LOUD TOGETHER

On the next page we've put together a few ideas  
for sharing the joy this holiday season. Tear it out,  
hang it up, and jingle all the way.

in  
human

Kindness

We feel passionate about coming  
together to make kindness loud.

Kindness is contagious, but the  
spark has to start somewhere.

Why don't we start here?

And why don't we start now?
